Hello ACFCU Members!

Welcome to the new ACFCU newsletter: ***“The Calling.”***

You may have noticed our new ads over the past few months, inviting you to let ACFCU answer the call for what you need...Need a new Boat? Home? Car? Call ACFCU!

When we started 2020, little did we know that a ‘calling’ would take on a new level of significance. We have all been ‘called’ to wear face coverings, stay home, work remotely, and yes, even to do our banking online or over the phone.

While banking online isn’t preferred by everyone, it’s safe to say that going forward, most of us will use it. Fortunately, your ACFCU is in a great position to help with all your banking needs online, through our drive-thrus, and yes, you can even call us on the phone! Our branch ATMs have been recently upgraded with more functionality and the ability to deposit both cash and checks at all locations. When we had to close our lobbies for the pandemic, these options kept us up and running and serving our members the whole time – and continues today.

In this issue of *The Calling*, we’ll share some **News to Know**, introduce you to our **Leadership Team**, and update you about our **Annual Meeting**.

Thank you for working with us to make these past months as smooth as possible, and thank you for your membership!

Kelly Smith  
President & CEO
